

## **Step-2: Offline Practical Skill Test (OFFPST)**

The organizations successful in step 1 are given two or more virtual images in DVD having applications/services installed with the known vulnerabilities and possible penetrations built for the off-line in-house practical skills test, which they are required to test at their premises and submit the VA&PT report for the same. Guidelines/Rules to setup testbed and template for VA/PT report will be provided with the DVD. Participant must follow the instructions provided, and can only submit report in provided template format. The organizations scoring 90% or above in the reports submitted by them are declared successful in step 2 and eligible for VA/PT practical skill test step-3. The organization will be given maximum two attempts to appear in offline PST. In case the organization is unsuccessful to qualify OFFPST even after two attempts, organization may apply as fresh applicant after cooling period of one year from the date of last test.
