09th October 2021

Cyber Security Table Top Exercise
for Board Members & Top Management of Power Sector Utilities

With the objective of improving the cyber security readiness to counter cyber threats in Power sector, Indian Computer Emergency Response Team (CERT-In) successfully conducted the Cyber SecurityTable Top Exercise for the Board Members & Top Management of Indian Power Sector utilities on 09th October 2021.

The theme of the exercise was "Supply Chain Attack". The exercise revolved around cyber threats and challenges affecting IT & ICS/OT infrastructure of Power Sector and reflects real incidenttrends and issues in the power sector.

Exercise was conducted for around 400+ participants from 135+ organisations.

The event was graced by the luminous presence and keynote addresses byShri Ajay Prakash Sawhney, Secretary, Ministry of Electronics & Information Technology(MeitY), Shri Alok Kumar, Secretary, Ministry of Power (MoP), Dr. Sanjay Bahl, Director General, CERT-In and Shri Mritunjay Kumar Narayan, Joint Secretary, Ministry of Power (MoP.)

The Cyber Security Table Top Exercise was successful in meeting the objectives and helped the organizations to understand andreview the existing cyber security preparedness for responding to cyber incidents.
